**Immunization Requirement for Students Entering Pre-Kindergarten (UPK) in 2015**

Dear Parent/Guardian,

New York State Law Section 2164 requires certain immunizations (shots) to enter pre-kindergarten (UPK) and attend school. Please check with your health care provider as soon as possible to make sure that your child has all the needed immunizations. They are listed below.

**Required immunizations for Pre-Kindergarten**

<b>Immunization</b>	<b>Number of Doses</b>
Polio	3
Hepatitis B	3
Diphtheria/Tetanus/Pertussis	4
Measles/Mumps/Rubella	1
Varicella (Chickenpox)	1
Hemophilus Influezae	1 to 4
Pneumococcal Conjugate	1 to 4

Please send proof of immunization to Janine Barone, Mullen nurse, at 716-694-5897 (fax).

Proof of immunization must be **any 1 of the 3** items listed below:

- An immunization certificate signed by your health care provider
- Immunization Registry report (NYSIS or CIR from NYC) from your health care provider or your county health department
- A blood test (titer) lab report that proves your child is immune to the diseases
  - For varicella (chickenpox), a note from your health care provider (MD, MP, PA) which says your child had the disease is also acceptable.

If you have questions or concerns about immunizations, please contact the school health staff.
