

# APPR Meeting

January 3, 2013  
BOE Conference Room  
3:30p.m. - 4:30p.m.

Meeting called by: Mary Beth Scullion

**Present:** Amy Edgerton, Pauline Kuun, JoAnne Long, Pam Lunetta, Jim Newton, Mary Beth Scullion, Ron Sesnie, Jackie Smilinich, Chris Taylor

## Minutes

❖ Our plan was rejected after our 1<sup>st</sup> submission. We had a conference call from State Ed.

**Changes:** HEDI wording changes for all the areas listed to the left

2.2

2.3

2.4

2.5 "Grade 6" was added

2.6

2.7

2.8

2.9 "comprehensive" was added

2.10 new conversion chart for 25 to 20 and added courses on a back page that didn't fit on p. 9

\* Need to change received to receive and a 20 points to a 20 pt scale

**More changes:**

Remove 2.12 section. NYS will not allow it.

Discussion took place because it was a big concern. "How can we be sure members are not "penalized" for the children who fall into these categories?"

Decision - It is in the appeals process of the document so teachers can submit those reasons in their appeal. The panel will be trained and this is an area we want to be sure they understand.

3.1 HEDI - If the state does not use the 15 pt scale, we will use the 20?

3.2 HEDI

3.4 HEDI - School wide measure by grade level

3.5 HEDI

3.6 HEDI Achievement

3.7 "

3.8 "

3.9 Same as 3.6 - 3.8

Concern: Who is setting the goals?

Answer: The district is based on CDEP. Discussion about growth vs. achievement and if they are realistic goals or not. Looked at chart and teachers can have 12 out of 20 students make goal and you are still effective. District wants teachers to be successful too!

3.10 HEDI

3.11 HEDI

3.12 Conversion Chart

3.15 Change "proportionality" to "proportionally"

4.5 Letter D was reworded

Question: Remove "Draft" from the Conversion Chart page.

6.3 "final review" was changed to "panel decision"
